A Guide for International Students Applying Online for Admission into IT Masters Degrees

BEFORE BEGINNING PLEASE NOTE:

Your application will most likely require additional documentation to be submitted as part of the completion of the online application process. Any documentation will need to be submitted to the Admissions Office in the next 10 days.

If you need to send any additional documentation, you may prefer to instead complete the paper application form, which can be found here:

IT Masters applicants must submit:

☐ Scans of your final transcripts and awards of your previous study
☐ IT Masters Student Authority Form (can be found on the IT Masters website in the ‘How to Apply’ page).

If IT Masters applicants do not have a previous Bachelor (or above) degree, they must submit:

☐ A CV or résumé type document
☐ An employer reference/statement of employment to verify work experience details (only required from current employer).

Where applicable, students will need to submit:

☐ Certified exam transcripts for your industry certifications; online verification will suffice.
☐ Evidence of a name change if the name on your transcripts/awards is different to the name on your application
☐ Proof of permanent residency or visa
☐ Proof of English language proficiency.

If you submit any additional documentation via mail, it MUST be accompanied by:

☐ A copy of the cover sheet (final step of the online application).

Please note: There is opportunity for you to upload these documents in the online application process. If you do not upload your certified documents at this stage, certified copies will need to be sent to CSU within 10 days of your completion of the online application form.
Do not send original documents. They will not be returned to you.

CSU considers eligible applications for offer to a course, in order of receipt. Date of receipt refers to the date all information required is received by the Admissions Office.

Failure to provide full and complete information and documentation with your application will result in delays in processing and ultimately consideration for admission.

1) Applying Online
The first step is to locate the online application form. It can be accessed on the CSU website here:

http://www.csu.edu.au/apply

There are several options available. Click the Apply Online button. The online application form will load in a new window. As you go through the application process, if you have any questions or any difficulties that are not answered by this application guide, feel free to contact the Admissions Office:

   Email: admissions@csu.edu.au
   Phone: 02 6933 4334.
   International Phone: +61 2 6933 4334

2) Online Admission - Login

Create a Login ID and PIN, and make sure you note it down somewhere before you begin. Keep a copy of your Login and PIN in a safe place, as you will need it again for future access to these pages and if you forget it you will need to start again, with a new LOGIN ID.
3) Select an Application Type

ARE YOU:

NOT an Australian Citizen or Permanent Resident? **NOTE:** Even if you are currently living in Australia, as long as you are NOT an Australian citizen, OR a permanent resident, you will need to select

Select **International – International Post Graduate Offshore Studies (distance)**

You must also submit verified proof of your visa

4) Nominate an Intake: When do you want to study?
Select the study period that you wish to apply for from the Admission Term drop down menu.

For instance, if you would like to apply for July 2013, select Session 2 in order to fill out an application.
Applications for distance education courses are assessed on a continuous basis and offered to the next available intake. Applicants are strongly encouraged to take advantage of this by lodging their application as early as possible, noting the closing dates shown below.

**Closing dates for applications:**
- **1 June** for courses commencing in July
- **1 October** for courses commencing in November
- **1 December** for courses commencing in February

Please note that these are the final closing dates for all applications.

5) **Application Checklist**

The Application Checklist is the main body of your application, allowing you to keep track of what you have completed. If you decide to save and complete your application at a later date, you will return to this checklist point.

**PLEASE NOTE:**
At the end of every page above, there is an option to ‘Return to checklist without saving changes.’ Please use this to return to the Checklist if necessary.
5.1) Informed Consent Declaration

Carefully read through the Privacy Statement and click ‘Continue’ to move onto the next item on the checklist.

5.2) Name
Enter your name and click Continue. At any time if you wish to save your application and continue it later, click ‘Finish Later’.

5.3) Address and Phone Details

Enter your address and phone details and click Continue. Please note the section that states ‘CSU will send all correspondence throughout the admission process to the address you enter here.’ It is extremely important to update your contact details if they change — if you fail to respond to an offer for a place in a course within the deadline, a fee will apply if you wish to reinstate your application for the following intake.

5.4) Personal Information
If you are an International citizen, select:

- Australian Citizen
- None
- Australian Citizen
- Int’l Student Studying Offshore, residing outside Australia
- New Zealand Citizen
- Student with a Humanitarian Visa
- Student with a Permanent Visa
- Student with a Temporary Visa, residing in Australia

If you select any option other than Australian Citizen you will need to provide evidence of your citizenship or visa (permanent resident/visa evidence can be provided in Section 5.12). See Section 5.13 for certification guidelines. In the case of the visa options, ‘Student’ refers to you, the potential student. There is space in the following page to fill in the exact details of your visa. Do not worry if you are not in Australia on a specific student visa.

Once again, please note you may be contacted via email. Any changes to your email address should be notified in writing as soon as possible.

5.5) Planned Course of Study
This section is for the course that you want to undertake. Referring to the table below, fill in the code that corresponds with the course you are applying for. The course codes are:

<table>
<thead>
<tr>
<th>Course Code</th>
<th>Course Name</th>
</tr>

Find Your Course

Checklist Finish Later
Once you have entered your course code (for example, OBNS) in to the Admission Course Code Field, select continue. The next page is a confirmation of the course for the code you have selected. If the information is correct, select the radio button, and click Submit.

A final confirmation of your course will appear.

**Note:** The only permitted study mode for IT Masters Courses is Distance. This cannot be changed. Part Time is also the only study load. The Fee-Type: Fee-Paying refers to the type of course, and does not disqualify you from FEE-HELP.

There are no Commonwealth Supported Places for this course.

Select Continue.

5.6) General Information
International Applicants residing outside of Australia: Please complete country of birth, country of citizenship and language fields.

International Applicants residing in Australia: Please complete all fields. Note that proof of your visa will need to be provided.

5.7) Educational Background

Select the level of education you have achieved.
The next section is for statistical purposes only and does not affect your application in any way. Please select the education level of your parents or guardians completed, if known.

A confirmation page will follow.
If you were not born in Australia, please select the year you arrived in Australia. Remember you will need to provide proof of citizenship, proof of permanent residency or further information if you select ANY OPTION other than none.

5.8) Post-secondary study

Please make sure you specify whether or not you are applying for credit.
To find your College Code, click ‘Look up’.

Select your state and click on ‘List Cities in Selected State, Province or Country.’
Select the suburb of your university.

Select your university, and click ‘Copy selected College information to Data entry form.’

All your university details will be copied into the schooling fields. If your university is not listed on the lookup, please manually enter the name, location and completion date of your secondary education.

Complete the form and click Continue.

5.9) English Language Proficiency
Fill out the details of your English language study. This page asks for details of your secondary school information, applicants will be deemed to have sufficient English proficiency if they:

a) Have completed all their formal studies in one or more of the following countries; or
   - Were born in one of the following countries and have completed at least one qualification in one of those countries; or
   - Have completed senior secondary study or at least one year of full-time University study in one of the following countries:
     - Australia, Canada, Fiji, Ireland, Kenya, New Zealand, Papua New Guinea, United Kingdom, Singapore, South Africa, Solomon Islands, United States of America, Western Samoa or Zambia.

b) Have successfully completed one year of full-time (or part-time equivalent) post-secondary study at an affiliate institution of CSU, with English as the medium of instruction and assessment.
Please note: if you completed your Australian high school study prior to the introduction of the tests listed, please record the information you have (school, year, result) in the provided box.

All other applicants must demonstrate proficiency explicitly.

Any of the following results, obtained within two years of commencement of the course for with the applicant is applying, can be used to demonstrate English proficiency:

- Academic IELTS (International English Language Testing System) test result with a minimum overall score of 6.0 and no score below 5.5 in each of the individual skill areas.
- TOEFL (Test of English as a Foreign Language) paper-based score of 550 with a TWE of 5.0
- TOEFL computer-based score of 213 and Essay Rating of 5.0
- TOEFL internet-based score of 80 for undergraduate and postgraduate coursework programs, and 90 for postgraduate research candidates with a minimum score of 25 in the writing section
- Completion of an AQF Certificate IV (including English for Academic Purposes).
- A score of 155 in the verbal component of the Special Tertiary Admissions Test (STAT).

The full listing of acceptable tests can be found on the CSU website here:

If you do not meet the English language proficiency requirements listed in the above link, it may be possible for you to apply for an English language proficiency waiver. It is important to be aware that it is unusual for an English language waiver to be granted and it is the responsibility of the applicant to provide the information and evidence that will demonstrate an adequate level of English proficiency to complete the course i.e.: equivalent to IELTS 6.0 or above.

Your application for a waiver must be submitted in the following format:

1. A letter requesting a waiver and clearly detailing the circumstances that have enabled you to develop the necessary English language skills.
2. Comprehensive documentary evidence to support your application. This evidence will include third party references or certificates. A supporting statement made by the applicant is not sufficient evidence.

The following are examples that on their own would not be sufficient to support an application but may combine to provide evidence of the necessary level of English language skills.
- A minimum of 3 years employment at an English speaking organisation. Evidenced by; a reference from your employer confirming the English communication requirements of your employment.
- University or other evidence completed in English at a country not listed in the English Language Proficiency regulations. Evidenced by; a certified transcript and English component / requirement.
- Professional qualifications and courses completed in English. Evidenced by; a certified transcript and English component / requirement.
- Industry certifications completed in English. Evidenced by; certified copies or online access to proof of certifications. Examples of certifications are; Microsoft, Cisco, the Project Management Institute, Oracle, the EC-Council etc.
- Evidence of expired Academic IELTS or other English test results. Evidenced by; a verified copy of the test results.

It is in your best interest to be thorough and provide as much relevant, comprehensive information as possible in order for an accurate assessment to be made. However all information must be supported by documentary evidence for an application to be successful.

5.10) Additional Information
Employment – As you are required to submit a resume or CV, you can choose to give a brief summary of your employment in the past five years, or simply indicate that you are attaching a resume.

**NOTE:** Applicants who do **not** have a degree need to provide as much information as possible about their skills and work in the IT industry in order to allow the course coordinator to accurately assess the relative competitiveness of each application.

Employment history should indicate the exact nature of the work undertaken. Do not assume that the course coordinator understands what is involved simply by stating the job title. Senior Network Administrator, for example, has vastly different interpretations in various contexts. Provide details about:

a) The scale of the position (number of people, number of servers, etc),

b) The seniority of the position (number of people reporting to you, the ranking in the organization’s hierarchy, grade or status of the position, etc),

c) The value of the work carried out.
**Special Group Arrangement** – Please indicate you are applying for an IT Masters degree.

If you are seeking credit on the basis of industry exams or previous study, please provide specific details here. Note that you will need to provide certified copies of your exam or university transcripts in order to be granted any potential credit.

Further information on credits can be found here:

http://www.csu.edu.au/apply/credit

**Major/Stream** – Several IT Masters courses require you to nominate your preferred industry stream. Please use the following table as a guide.

**Note that the following courses do not have streams:**

- Master of Business Administration (Computing)
- Master/Graduate Diploma/Graduate Certificate in Project Management
- Graduate Certificate in Mobile Applications Development

5.11) Upload Documents

Here you can upload your additional documentation.
The aim is to provide as much relevant information as possible, in order to give an accurate ranking to the application. A lack of detail may result in the application being rejected or delayed while additional information is sought.

CSU designates documentation types, as follows:

- College, TAFE, VET Transcripts
- English Language Proficiency
- Evidence of Citizenship/PR
- Evidence of change of name
- Experiential Table
- Nursing Board Registration
- Personal Statement
- Research Proposal
- Resume
- University Transcripts/Awards
- Waiver - Record or Privacy
The student authority form’s document type is “Waiver – Record or Privacy.”

Applicants who do not have a degree need to provide as much information as possible about their skills and work in the IT industry in order to allow the course coordinator to accurately assess the relative competitiveness of each application.

The documents required are:

I. Evidence of your tertiary studies (if applicable). If you do not have any tertiary qualifications, you must provide:

II. Thorough documentation of your work experience (via CV or résumé-type document)
   1. Employment history should indicate the exact nature of the work undertaken. Do not assume that the course coordinator understands what is involved simply by stating the job title. Senior Network Administrator, for example, has vastly different interpretations in various contexts. Provide details about:
      a) The scale of the position (number of people, number of servers, etc),
      b) The seniority of the position (number of people reporting to you, the ranking in the organization’s hierarchy, grade or status of the position, etc),
      c) The value of the work carried out.

III. If you do not have any tertiary qualifications, you will also need to provide: An Employer reference/statement of employment to verify your work experience details.
   1. Details should be confirmed by signed letter from employer or customer on company letterhead paper (reference is only required from current employer/major customer).
   2. (Mark this as ‘personal statement.’)

IV. IT Master Student Authority Form
   1. (Mark this as ‘Waiver – Record or Privacy.’)

V. Certified exam printouts/transcripts for your industry certification credits. Online verification is acceptable.

VI. Evidence of a name change if the name on your transcripts/awards is different to the name on your application (if applicable)

VII. Evidence of your citizenship/permanent residency (if applicable)

VIII. Proof of English Language Proficiency (if applicable)

5.13) Coversheet for Documents
When mailing additional documentation with your application, this page must be printed and included with the submission of your documents. Please be aware that mailed documents must be verified copies. Do not send original documentation to us.

Please be aware:

There have been important changes to the requirements to have your supporting documents verified.

If you are an Australian citizen or permanent resident, the documents supporting your application e.g. transcript of previous studies, no longer need to be verified as a true copy.

If you are an International applicant you must submit verified copies of your official documentation.

For more information, please visit this link:

http://www.csu.edu.au/apply/verify-your-documents

You can now select ‘Application is Complete!’.
After you select this, you will receive an acknowledgement that your application has gone through, and a confirmation email to the address you supplied previously.

The Admissions Office endeavours to respond to applications as promptly as possible. Expect to hear from them on average two weeks after the closing date for applications. Any later than this, or if you have any concerns over your application, don’t hesitate to contact the office on 02 6933-4334, or send an email to admissions@csu.edu.au to check the status of your application.

Good luck!
